

NORTHLAND SPRING 2020 UPDATE 4/10/20

Spring is here and we are starting to dream about summer days boating on the lake. However, we are following the COVID-19 situation closely. The wellness of our customers, employees, and community are our first priorities, and so we have delayed our re-opening from March 23rd to April 15th.

We are implementing modified procedures to expand workplace social distancing, and will maintain customer service communications “virtually” via phone, email, and drop-off box until further notice.

YES - We plan to **OPEN** for Boat Service & Repairs starting April 15th

NO - You can't come inside the Shop or Showroom, sorry!

We are social distancing & reducing interactions among our tech crew, and we are keeping all doors locked to keep everyone safe - techs in and customers out of the Boat Shop & Showroom.

SALES are by PHONE, EMAIL & ONLINE only!

For Sales of New Eastern Boats, Pre-owned powerboats, Shoremaster Docks & Lifts, and PaddleNorth Inflatable Docks - Call/email Emily at [802-316-6721](tel:802-316-6721)/sales.nlboat@gmail.com. We are happy to provide (as applicable) specs, drawings and diagrams, photos, and quotes via email/phone or live via Zoom/FaceTime.

MODIFIED BOAT SERVICE & REPAIR PROCESS

Here are the options to get your boat into our modified Boat Service & Repair process.

- **CALL - 802-372-5452**
To speak with us or leave voicemail to schedule Boat Service & Repairs
- **DROP-OFF - Service Request Form & Tag**
Leave SERVICE REQUEST FORM in box at front door of Boat Shop
Tag bow of boat & park boat up on the back lot
- **EMAIL - service.nlboat@gmail.com**
